

Annual Report
7th October 2025

My prostrations at the feet of Pujya Gurudev, Poojya Guruji and Swamij Swaroopanandaji & humble pranams to Pujya Swami Anukoolanandaji, our dearest Shanti Krishnamurthy ji, Sri Jagdish ji, and warm greetings to dear parents and all our guests!

“Harnessing Youth Potential Through Dynamic Spirituality” is the inspiring theme for this year given by our dear Swami Swaroopanandaji and this mantra has been the force behind all our activities in CIRS.

With your support and blessings of our Pujya Gurudev, CIRS is in the 29th year of its inception and is progressing well with 596 students - 378 boys and 218 girls from 16 states in India and 16 different countries across the world. We have a team of 70 faculty members and 71 admin team members working tirelessly and extending support for teaching and administration.

Education World a premier magazine ranks the schools of the country using a research survey. I am delighted to share with you that CIRS has been ranked **Number Two** in the country among India's Top Co-Ed boarding schools. Also, our school has retained the **Number One** position in Tamil Nadu & Coimbatore for the 14th consecutive year. My hearty congratulations to dear parents.

Brainfeed Magazine has ranked our school no. 3 in the country and 1st in both state and city. Our DHM, Smt Saranya received the prestigious award on our behalf.

We are happy to share with the Parents that CIRS continues to be one of the Lead Schools selected by CBSE for guiding neighboring CBSE schools in this region.

I am delighted to inform you that our Shanti Ma'am has been playing a pivotal role in School Quality Assessment and Assurance - An important initiative by CBSE towards institutional excellence for all the schools. Madam has already conducted a number of sessions for all the CBSE Principals across the country and abroad, madam is currently training a selected set of Principals who in turn will become the mentors for all the CBSE schools in the country.

The academic performance of our students in the board examinations has been getting better and better over the years and it gives me immense joy to share

salient features of the Board exam results of our class 10 & 12 students for the year 2025:

The average score of the class 12 science is 89 % and management is 93%. 34 students out of 47 students secured above 90%. And 45 students out of 47 students of class 12 have secured above 80% in the aggregate. That was indeed a tremendous performance by our students.

V Athmika topped the CBSE management stream securing 98.6%. We would like to congratulate her parents.

Kanistha C has topped the CBSE science stream with an aggregate of 98.4 %. We would like to congratulate her parents too.

Kanishta secured 100% in Maths, Ananth Verma, Ishaan & Shaurya Shinde secured 100% in PE, Kanishta, Vandit, Armaan & Raghav secured 100% in IP and Shabd Jain secured 100% in Business Studies.

Let's appreciate Smt Saranya Madam, Srinivasan Coach, Smt Bhuvaneswari Madam & Sri Dasarathi sir for helping the students to get centum in their respective subjects.

Our IB students have also brought in remarkable results. Out of 19 students, 8 students got above 40 out of 45 grades with the class Avg of 38.9 %

I am proud to say that Shubhaang Agarwal secured the 44 out of 45 followed by Raahi with 43 out of 45 followed by Reshmi and Rishi Iyer with 42 out of 45. Out of 600 up IB school, CIRS stands 15th in the world.

All these 12 std students have secured admissions in premier universities in India and abroad. The details of the same have been displayed in the IB block and will also be available on our website.

The performance of our students of class 10 at the CBSE 2025 Final examinations has been highly commendable. Out of 95 students, the average score of class 10 stands at 89.2 % and 56 of them have got an aggregate of 90% and above. And 85 out of 95 students are above 80%. We would like to congratulate the parents of all our class 10 students. We would like to congratulate the parents of Ved Tulsian who topped the batch with 97.8%.

In class 10, 11 students in Maths, 4 in Sanskrit, 2 students in French, 1 in science and 1 in Hindi have secured 100% marks. We would like to take this opportunity to thank Chandramouli sir, Prakash Sir, Vasanth sir, Sreelakshmi madam, Sripal Sir, Ganesh Sir, Deepa Madam and Rekha Madam for helping the students to get centum in their respective subjects.

I am sure our parents are familiar with the merit card system, which has been introduced to motivate students to enhance their own academic performance. I am happy to share with you that in the recent 1st term examination, 396 students out of 596, i.e. 67% of the total strength received merit certificates in various subjects. There is an Increase in 6% from last year. This indeed is a remarkable achievement by our children and has boosted the academic standards of the school.

Subject week celebrations:

To enhance interest and thinking skills, we celebrate Subject Weeks every year. During the weeks, children work on projects, participate in competitions, and are also exposed to a variety of activities.

- The mathematics department organized the Maths Run and Math Quiz during their week.
- Extensive seva activities were taken up during the Seva week. They participated in a variety of activities, including organising awareness rallies, visiting old age homes and rehabilitation centres, cleaning temples around the campus, and decorating them with rangolis.
- Storytelling, Handwriting, Poetry Recitation, Spell Bee, Quiz and HAM were organized during the English week.
- The social science department organized a week packed with activities like Social Science Run, treasure hunt activity, making Google Doodle on a given theme, and Social Science Quiz are a few of the innovative activities to mention here.
- India Week coincided with Independence Day and Krishna Janamastami, and number of competitions, sessions, and theatre plays as the entire school came alive with the timeless spirit of devotion and patriotism.
- During the language week, a Musical night- group song in Sanskrit, Hindi, Tamil, and French was conducted. The week-long celebration also included a language run, an assembly in different languages, and a quiz.
- During Science Week, Science Dept organized a Sci Expo with nearly 150 exhibits meticulously crafted by students and teachers. Nearly 900 students

and 75 educators from 20 schools visited our school. The week proved to be a rejuvenating and memorable experience for everyone involved.

- Management Dept organized a range of engaging activities for students from Shishu Vatika to Grade 12. Poster making competition, Ads-up, Group discussion, Management Run, and much more and the week culminated with the inter-school Business Quiz- COMQUEST. More than 100 teams participated from in and around Coimbatore.
- The TOK Science Odyssey Camp at Anaikatti was organized for the 2nd IB students from 28th Feb to 2nd March. The camp focused on Natural Sciences and included sessions and activities related to TOK and Science. Several interactive sessions were conducted with group discussions and brainstorming activities.

Field trips:

In the month of Nov 2024, during Science Week, Science Dept organised field trip for classes 5 to 7. Class 5 students were taken to the GD Naidu Car Museum where they saw over 100 vintage cars and their technological innovations developed through the ages.

Class 6 students were taken to GASS Forest Museum, where they observed and learned about the different plant and animal species.

Class 7 students were taken to the GD Naidu Science Museum, where they saw a 3d show and also explored the different science exhibits and learnt the concepts related to them. It was a hands-on experience for them.

The management department organized a field trip for grade 11 students on 11th of August to Podaaran Foods Pvt Ltd. They visited three factories- Snacks factory, Juice Factory and oil extraction factory. This was a beautiful hand on experience for them.

Guest Speakers to our school:

Sri Amarnath Ramesh Babu, father of Aarna of grade 5 along with his two colleagues, conducted the photography workshop for our photography club students on 1st and 2nd May of this year. It was extremely satisfying to see the photographs clicked by the students. They stand a testimony for the training and the quality of sessions taken by the resource persons in elevating the talent and skill.

Director and assisting Director of SEBI visited our school and gave a wonderful insight to our junior and senior school students on Financial Literacy on 22nd and 23rd August. Students learnt a lot through this session.

H S Grawal and R K Khosla, renowned Authors of Accountancy Book, visited our school on 18th July and addressed our Commerce students of classes 11 & 12. They provided insight into accountancy syllabus of class 11 & 12 and also shared the career prospects after 12 in the field of Accountancy. It was thoroughly enjoyed by our students.

The **Class presentations** and student talks during school assemblies speak volumes about the continuously improving standards in the school. The selected ones are recorded and uploaded on our YouTube channel. Kindly view them in CIRS YouTube channel.

Hobby Clubs:

Children look forward to Wednesday afternoons when they get to pursue their hobbies for an hour. Currently, we have 30 hobby clubs running in the school guided by teachers. We also have a few visiting teachers taking instrumental and Band classes.

Proud Achievements :

On 29th May 2025, a group of students from Chinmaya International Residential School—Kanishk C K, Aaditya Tulsyan, Vishwanth, Hema Ruthvick, and Arjun Reddy—participated in the 2025 Youth MADE Festival. Our students' project was recognized for its creativity, innovation, and potential impact, earning them the \$500 prize money.

The Kreativitiy League 2024 Grand Finale took place at IIT Delhi on December 27 and 28, 2024. Among 300 participants at IIT Delhi, our students Jayam, Gatik, and Arnav secured an impressive third-place, receiving trophies and a cash prize of ₹9,000.

Remo International College, in collaboration with Hindu Tamil Thisai, proudly invites senior school students from Tamil Nadu and Puducherry to participate in an extraordinary state-level Quiz Competition on the Aviation Industry. Our school student, Divyam Gupta, was one among the 12 finalists and he secured 3rd place, winning a cash prize of ₹5,000.

The JK Lakshmipat University (JKLU) 2024 “My City, My Lab” Ideathon witnessed an outstanding performance by Team Vayunigrah emerged as the overall winners of the competition. It was held on December 1, 2024, where our students Jayam Mangalam Modi, Gatik Chhawachharia, and Arnav Agarwal impressed the jury with their innovative approach, creativity, and practical solution design and won the prize amount of Rupees 1 Lakh.

Moksh Surana and Anuska Bangla, from Chinmaya International Residential School, were selected in the “My Dream, My India” essay writing competition conducted by Sri Shakthi Engineering and Technology in April 2025. As part of the recognition, the children were invited on an educational trip on 24th and 25th April, which included visits to Ooty, Coonoor, and the Wellington Cantonment areas.

CAIRA—Creative Association and Innovative Robotics Association of the Department of Robotics Engineering is hosting a National Level Technical Symposium—ZESTRO’25 on the 25th and 26th of February 2025 in Emmanuel Auditorium, Karunya Deemed University. In Quiz competition, the team comprising Divyam, Vishvprem, and Swarit secured the winner’s position. The team comprising Pradyuth, Jasith, and Devansh finished as runners up. our school’s prowess shone brightly in both the Project Expo and Paper Presentation competitions, with our team emerging victorious for their innovative project focusing on forest animal conservation. CIRS, was awarded the overall championship.

From July 29 to 31, 2025, Naitik Agarwala (Roll No. 3569, Class 11 Management) and Anirudhha Koganti IB first year participated in an educational trip to ISRO’s Satish Dhawan Space Centre (SDSC), Sriharikota, organized by Sri Shakthi Engineering and Technology. They earned this opportunity by being one of the top 100 winners of the Space Quiz. They witnessed the launch of the NISAR (NASA-ISRO Synthetic Aperture Radar) satellite aboard the GSLV-F16 rocket on July 30, 2025.

Two of our students, Pradyuth Senthilkumar (Grade 9) and Kansihtha Chopra (Grade 12), were selected among the top 100 out of 1 lakh participants across the country, through the SPOT test conducted by the Vikram Sarabhai Science Foundation (VSSF) and participated in the VSSF Science Camp held in Pune from 12th to 14th June 2025. They were exposed to Metrewave Radio telescope, radio astronomy, bacterial culture etc.

Selected for her exceptional scientific curiosity and academic excellence, Ritika Deorah proudly represented our school at ISRO YUVIKA 2025 held at the

Vikram Sarabhai Space Centre, Thiruvananthapuram, from 19th to 30th May 2025. Interacting with ISRO scientists and participating in group projects and science quizzes, she gained invaluable insights into India's space research and technology.

Robotica 2025, organized by the Robotics Club of VIT Chennai, was held on February 7, 2025, at VIT University, Chennai. Amogh Agarwal, Aryaman Bansal, and Kanishk C K were among the teams that left an impression at the competition. They won the prestigious runners-up spot in the robotics competition thanks to their talent and commitment.

Karunya University has organized an event, Mindkraft 2025, a celebration of Science and Technology, featuring over 100 events, including exhibitions, ideathons, quizzes, and painting competitions, on World Water Day. Our school children participated in the event and received prizes in the following categories: In Ideathon -Our school team comprising Kanishk, Krishnav Deorah and Aaditya Tulsyan emerged as winners, competing against major universities and colleges across Tamil Nadu, and received a cash prize of ₹5000.

In the quiz event, Vishvprem, Divyam, Aneesh and Viraj Lal secured the 2nd position, winning a cash prize of rupees 5000. The 3rd position was secured by Krishnav Deorah, Aaditya Tulsyan, and Kanishk.

In the painting competition,(Colouring) Ritika Deorah secured the 2nd position winning a cash prize of ₹1500.

Inter-school Competitions:

1. Our Junior Team from the Quiz Club — Devansh Mazumdar from grade 8 and Arnav Anand from grade 7— brought laurels to our school by securing third place at the prestigious AQMEN Quiz held on 5th August 2025 at PSBB Millennium School, Coimbatore. They were awarded certificates of achievement along with a cash prize of ₹1,000.
2. On 22nd August 2025, our school participated in The Hindu School Quiz, held at NGP College, Coimbatore. Among 2000 teams, In the junior category, Devansh and Pradyuth secured 2nd place, winning ₹4,000, trophies, and certificates. In the senior category, Vishv Prem & Swarit placed 3rd, while champions Adithyan and Heril secured 1st position, receiving certificates, medals, trophies and cash prizes of ₹3,000 and ₹5,000, respectively.

3. On 20th August 2025, the CIRS Quiz Team, comprising Devansh Mazumdar and Pradyuth Senthilkumar, brought laurels to the school by clinching the First Prize at the prestigious Lotus Quiz hosted by Satchidananda Jothi Niketan International School, Mettupalayam. They were honoured with certificates, trophies, and a cash prize of ₹5,000.
4. On 29th August 2025, two teams from our school participated in the Zonal Quiz – QUZBIZ, conducted at Yuva Bharati School, Coimbatore. Out of 180 teams, Adithyan Diwakar and Heril Goti advanced to the finals and showcased exceptional brilliance, ultimately emerging as the winners. They were awarded certificates and a cash prize of ₹10,000.
5. On 16 August 2025, our school participated in the Interschool Sahodaya Dance Competition conducted by Benglen Public School. Our Under-19 Girls Team proudly secured the 3rd position.
6. On August 26, 2025, the 46 Sahodaya Inter School Instrumental Music Competition was held at CS ACADEMY School, Coimbatore. Yuvraj Tibrewal of Class 9 secured the 1st position in the Wind category and Arham Jain of Class 9 secured the 2nd position in the Rhythm category.
7. On the 26th of July 2025, 10 of our students – ranging from 7th to 12th grade – took part in the Interschool Bhajan Competition held at Suguna International School. It gives us immense joy to announce that our students secured the 1st position.
8. Aksharam International School organised the 46th CBSE Sahodaya Inter-school Storytelling competition. Anokhi of 8th grade won the fourth place, and in the category D, Aashi Kedia of 10th grade won the second place.
9. Amayra Goel of 8th grade bagged second place in the 46th CBSE Sahodaya English Extempore Competition held at CMC International School, Coimbatore.
10. In the 46th CBSE Sahodaya public speaking competition hosted by Vidhya Niketan School on 23rd August, Pradyum Tibarewal of grade 12 secured the first place.
11. In the 46th CBSE Sahodaya English Spell Bee competition held at Anugraha Mandhir CBSE Senior Secondary School, Tanay Lakshman of Grade 8 secured second place, Rhea of Grade 10 won second place and M. K. Prateethi of Class 12 secured fourth place.

12. In the 46th CBSE Sahodaya English Declamation Competition held at The United Public School, on 9th August, Saptarshi Pal of grade 8 secured Second Place, Adhyatma Ghranthik Agarwal of grade 10 secured Third Place and Pradyum Tibarewal of grade 12 secured Second Place.
13. During the recent 'SSVM Studentpreneur' competition held at SSVM, Coimbatore, our CIRS students shone brightly, bringing home top honours and making the entire school proud. Master Raunak, Master Naitik, and Master Arnav won first prize for their innovative project, securing a ₹75,000 cash reward. Their creativity and dedication were truly inspiring.
14. Our Dr. Rashmi, was awarded recently with prestigious Vanijya Ratna Award by the commerce Teachers Foundation for her outstanding contributions to education, leading her students to secure an impressive 96% class Avg in Accountancy.

Creative Web Page:

Creative web page is a sustained initiative in which creative poems written by students on various themes are uploaded on the school's site every month. 219 poems from Junior school and 161 from Senior school, the total of 380 poems has been uploaded on various topics like Sports & wellness, my first day again, Feeling of happiness, Bond of friendship, Because I can, Learning- A bliss, etc. I request the parents to continue viewing the page and encourage our children's efforts.

In 2018, we introduced the Mathematics Challenge page on the website which aims at grooming the high achievers to stretch themselves to excel. In the month of August, we had 101 winners from classes 5 to 12 who had successfully cleared the challenge. You may view them on the site.

We have a few clubs completely managed by students under the guidance of Teachers:

TED Ed

Our annual TED-Ed Student Talks showcased an impressive array of oratory skills and creative ideas on 9th August. Students from various genres entertained and inspired the audience with their performances. The event was a resounding success with a total of 15 TED Ed Speakers.

Crossroads

CIRS' monthly newsletter, Crossroads, is a platform for students to express their creativity through articles, poems, art, and photography. Over the past Four years, we've published 25 issues, fostering a love for language and literature among our students.

Girl Up

Girl Up Mahattva is a student-led organization promoting gender equality under the aegis of the United Nations. Girl Up Mahattva has organized events like the play "Shakti" to inspire and empower girls along with a social media project called Project Shakti which promotes stories of indigenous women. Our weekly sessions have helped develop leadership and communication skills among junior school girls.

Youth Economic Initiative

Youth Economic Initiative is an international club which aims to introduce students to the world of economics and equip them for careers in business and finance. Through events like stock exchange sessions and budget presentations, Game Theory etc we instil a passion for economics. Our goal is to foster intellectual minds who can become tomorrow's innovative and sustainable business leaders.

COMOS

Cosmos, a student-led initiative, promotes scientific inquiry through hands-on activities. With 36 students and 13 mentors, it covers various topics from scientific methodology to advanced subjects like aerodynamics and astronomy. This initiative aims to inspire the next generation of thinkers and innovators.

Project Vanguard

Project Vanguard is a student-led initiative aimed at developing strong leaders. 36 students were selected to undergo 7 transformative modules on topics like empathy, decision-making, and time management. After the modules, they participated in a mentorship phase and will continue to take up initiatives to empower themselves and others.

Chinmaya Yuvakendra

The students of CIRS have taken a significant step towards fostering leadership and preserving our Indic cultural values while embracing internationalism. In collaboration with Chinmaya Yuvakendra, the global youth wing of Chinmaya

Mission, our students have initiated a Chinmaya Yuvakendra Club at CIRS. This marks our commitment to providing a holistic education that goes beyond academics and instils essential values in our students.

CIRS MUN- During the CIRS Model United Nations (MUN) event on 11th and 12th of July, senior school students at CIRS participated in a dynamic and enlightening debate. Embracing diverse perspectives and nurturing critical thinking, were the key outcomes of the event.

Social Media group manages our Social Media page with 3500 follower Instagram or Facebook Youtube or Linked page.

Our Art dept initiated “Nature Art”. Every Sunday from 6:45 to 8:15 am, students sit outside art room and sketch and draw the beautiful nature around.

Last Saturday of Dec 2022, we started “**Knowledge Sharing session**” with parents. 27th Sept was the 33rd session addressed by Dr. Suvetha, Prof of preventive Cardiology and founder of Swastia. She addressed us on Food as Medicine. We had a session with Dr Sunitha, Clinical Phycologist and Dr. Swetha, Neurologist, our dearest Shanti Krishnamurthy ji, our Sw. Anukoolanandaji and our Alumni speaking to us.

The initiatives “**Best Class Award**” and **Exemplary Student** in the dorm are all being continued and they have brought in a remarkable transformation in the attitude of children and have improved the classroom and dorm environment.

The “**Subashi Award**”, an initiative to develop the right speaking skills has become a popular process at CIRS. A total of 56 students received the Subashi Award yesterday morning. We request Parents to motivate children to use the right language and support the initiative when they are at home during vacations.

In the month of February, a training program for using the **fire extinguisher** for the students and staff was conducted by the Fire department. The CIRS school safety policy is uploaded on the school website for all.

The Open-Door program run by a group of elite IITians for selected students of classes 9 and 10, introduced in 2018, is being continued. The series of tests in maths and science are having a good impact on the children.

9th TED X at CIRS was organized on 19th August with 5 distinguished speakers. Kindly applaud for Mr Ganesh, Ms Dhivya, Ms Suvarna and Mr Arun along with 2nd IB students for making this event a grand success.

The 14th chapter of the IIMUN' CHAMPIONSHIP CONFERENCE 2025 took place from August 14th to 17th August 17th in Mumbai. 34 CIRS students represented various nations at this championship conference. Special mention of Aryaman Bansal and verbal mention of Ahana Nair and Sannvi Bagaria was made.

Participating in the Harvard Model United Nations (HMUN) from 14th to 17th August 2025, was an extraordinary experience for the CIRS students. Our 40 students engaged in this prestigious event to compete against peers from various international institutions. HMUN 2025 provided deep insights into global issues, energizing students with its educational focus. Adwaith and Aryan received the outstanding delegates award, Shwet, Ashi, Aniruddha and Shaurya were mentioned as determined delegates and Sairam received diplomatic commendation.

20 of our students are going to participate in CHEMUN program organized at Chennai in the month of Nov.

Leadership: Every student in CIRS eagerly awaits the announcement of the School Council. Getting selected to the council is not just prestigious, but also provides a gamut of opportunities for children to hone the leadership skills. On the auspicious occasion of Gurudev's Mahasamadi day, the council members are invested into their roles. Master Aryan and Kum. Sai Hashini took over as the Deans for the year 2025-26. We would like to congratulate their parents and also the parents of all the 24 other children from classes 11 and class 9 who have also been inducted as secretaries and captains. Our hearty congratulations to all their Parents.

We also expose children to the process of the **election** when they elect their class representatives. These selected class representatives were also inducted on the same day.

Masquerade is the most awaited event in CIRS, where our children get an opportunity to show their creative skills in theatre. Four plays were presented by 4 houses in the month of November. They were of excellent standards. Every year the Best actor, best actress, and the most promising actor and actress awards are

given to students. The trailers are made available on our CIRS you tube channel and I am sure it will be a joy for the parents to watch them.

Career Counseling has always been given enough emphasis in CIRS. As part of the project “Marching Forward” senior students are taken through a two-days of counseling program, organized by the group ONE STEP UP, led by Shiv Diwan, specially designed for students of classes 10 & 12, offering comprehensive guidance on a variety of career pathways and opportunities. Our own teachers also conducted various sessions. Sri Dasarathi is guiding students as the in-house guidance counselor and coordinating the university visits. Now CIRS is enjoying the privilege of representatives from as many as 30 universities visiting and addressing students.

Sports Achievements:

As always, our children have been bringing home, laurels in all the inter-school sports competitions they participated.

In the 46 SAHODAYA 11 ON 11 FOOTBALL TOURNAMENT, the CIRS Under-14 Boys team emerged as the champions. It was hosted by Chandrakanthi Public School, Coimbatore from 23rd to 25th Sept. A special congratulations to Tanay Lakshman (Grade 8) for winning the Best Player Award!

The SOUTH ZONE YOGA COMPETITION was organized by the School Games Sport Development Foundation India at Erode on 13th July 2025. With remarkable performances across all categories, our students brought home a tally of 6 gold, 5 silver, and 6 bronze medals, securing the Overall Championship.

Let's give our appreciation to HOD of the Physical Dept, Mr. Siva Shanmugam, and his team of coaches for continuously guiding, inspiring, and providing our students the opportunity to shine and excel.

Apart from regular inter-house competitions, Children look forward eagerly to the floodlight Chinmaya Cricket Knockout tournament and the five-on-five football and basketball tournament and enjoy the Inter-house Cross country race that happens every month.

Our Major Siva Shanmugam sir is also taking care of NCC in our school, it is my honour to announce that 36 NCC cadets have participated in the second ATC camp held at KalaingarKarunanidhi Institute of Technology from 1st July to 10th July. Our students won number of medals in various events like drill test, quiz, relay, shotput, football etc. CIRS received the overall Best cadets award.

Soon after the Annual Exam, in the month of March, for classes 5,6 and 7 we organized Adventurous activities- "Shub Sahas" which was organized by NAF (National Adventure Foundation).

Immediately, after the Annual Exam, in the month of March, we organized an Educational Tour for

Class 10 –to Youreka, Yercaud

Class 12 –to Pune

In the month of July,

Classes 5 & 6 went to Chennai, Mahabalipuram and Pondichéry and classes 7 went to Mysore and Coorg.

By the end of Oct this year, we shall be organizing an Educational Tour for classes 8 & 9. Class 8 will be visiting Delhi, Amritsar and Siddhabari, Himachal Pradesh.

Class 9 will be visiting Kerela.

Our Heritage:

All students and teachers will endorse with me that CIRS is at its best during the festival time. Our spiritual department headed by our Resident Director Swami Anukoolanandaji, Br Sanatan ji & Brni Bhakti Chaitanya ji ensures that every

festival is celebrated in the true spirit. Children are exposed to a variety of experiences leaving everyone with nostalgic memories. CIRS is at its best during celebrations. Let us take a look at a few of these moments (**Pause**) captured by the photography team of the school.

As part of the daily schedule, Students are exposed to Spiritual classes, which is a unique feature of CIRS. Swamiji is ably assisted by Br Sanatanji, Brni Bhakti Chaitanyaji, Smt Bhuvaneswari madam & Smt SriVidhya. Swami Anukoolanandaji conducts spiritual classes for the staff members every Tuesday. Whenever Swami Swaroopanandaji is on campus, Swamiji showers love and blessings to our children by interacting with them. Swamiji's sessions are loved by children and they look forward to it. I request you to join me in thanking them. Our students regularly participate in the **Maha Gayatri Homa and Mahashivratri Homam** conducted in Chinmaya Gardens and in CIRS.

Faculty Training:

Upgradation of knowledge and skills for the faculty members is a regular feature in the CIRS calendar. This year around 47 of our faculty members participated in almost 50 different workshops and seminars conducted online and offline by CBSE and IB.

Our Science teachers attended Vigyan Goshti seminar hosted by CCMTEC at CIRS from 2nd Dec to 6th Dec 2024. This five-day workshop, was led by Madam Shanti Krishnamurthy, Director of CCMTEC. 130 Science teachers from all over the country attended the same. This Dec, we have Shaishav Shiksha- Seminar on early childhood education program for teachers handling classes from nursery to class 2.

I am pleased to share with you that some of our teachers are conducting workshops for the teachers of other Vidyalayas. Swami Anukoolananda and Shanti Madam have been conducting CVP orientation programs for the Chinmaya Vidhalaya across the country to ensure the effective implementation of the Chinmaya Vision program. Our Br Sanatan ji, Smt Kamatchi Priya, Smt Saranya, Smt Sumathy, Smt Bhuvaneswari, Smt Suvarna, Sri Satish, Sri Ganesh and myself regularly conduct workshops for teachers of various schools. We appreciate their dedication and untiring enthusiasm. Our teachers were also the resource persons for the Vigyan Goshti – a week-long Science seminar for the Science teachers of all CVs at CIRS.

Our Parents:

Like every year, this year too, we had a very successful New Parents orientation program- Swagathan 2025 on the 5th and 6th of April, when the new parents were inducted into the Chinmaya Vision Program. They are also provided with an insight into the methodology and activities of the school.

We have started a system of appreciating and recognizing children in the assembly after vacations for taking up something fruitful and productive during vacations. I am happy to see more and more children have started taking up new tasks and due to lack of time, I am unable to share the details in this report but would certainly like to congratulate the parents. My sincere appreciation and thanks go to all the parents for partnering with us in guiding children usefully and productively during vacations.

Our gratitude goes to the parent of K Athulya of grade 9, for donating 120 T-shirts for screen Printing and also to the parent of S Aradhya of class 8th for sponsoring worth 35,000 coloured yarns and 9,000 worth hand bag making kit. Thank you both the parents.

I also take this opportunity to express our gratitude to our parents from the US, Dubai, Abu Dhabi, Singapore, Lagos, UK, Botswana, and other overseas countries who willingly took the initiative to conduct our entrance exams and interviews. We sincerely appreciate their contribution to CIRS. The unstinted support of the parents has been a great strength to CIRS.

I would also like to thank the parents for generously contributing donations to the **CIRS scholarship fund, Community service fund**, and to Chinmaya University. I look forward to receiving the continued support of the parents in the future.

I would also like to express our heart filled gratitude to CIRS alumni Raghav Agarwalla, who passed out of CIRS in the year 2004 donated Rs. 83,74,000 (84 Lakh, 74 thousand) on 9th May 2025, for the solar panel which is installed just behind this auditorium of 200 KVA.

I would like to take this opportunity to place on record the untiring efforts of the vibrant staff members without whose support we could not have embarked on our journey successfully at all.

Our Board of directors, our Manager Mr Sugumaran, the members of the admin team, and the finance team headed by Mr Lakshmanan are extending valuable

support to the school and we are extremely thankful to them. My special thanks to all the housekeeping staff, service staff, garden staff, security staff, and catering staff for working round the clock to ensure things are in place. I pray to Pujya Gurudev, May HIS inspiration be the guiding force in the journey of CIRS.

Hari Om
