**SAMPLE QUESTION PAPER**

**CLASS VII**

***ENGLISH***

**SECTION A**

**COMPREHENSION**

**I. Read the poem and answer the questions below :**

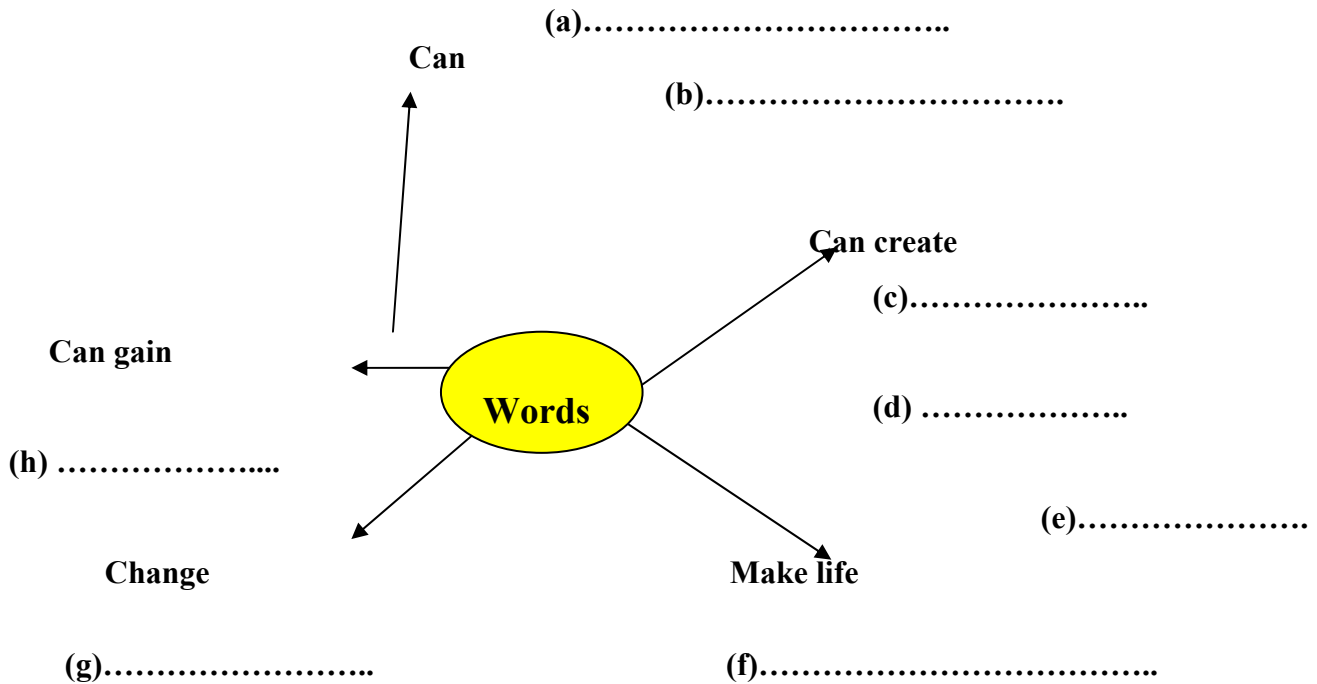

**Words**

Words can comfort or kill  
Or change our attitudes  
Words can gain us friends,  
And make our lives a joy.  
It can create gulfs of isolations  
And break all expectations.  
Words can be weapons...  
That create never ending wounds.  
Words can create wars  
Between countries nearby....  
So words should be wisely used...  
Never in anger should one speak...  
Stop before you say or breathe...  
Pause and speak words that heal, not kill.
